Decluttered homes sell faster

1-800-GOT-JUNK? is the fastest way to gain floor space for your listing. We can handle any size of project, from full house clean outs and yard clean ups, to removing old furniture or appliances.

On-call service at the time of close

We offer same-day service so that you can rely on us in those emergency situations where the seller has left junk behind and the conditions of sale require the house to be empty.

Get the property clean before handing over the keys

Make the experience of purchasing a home a perfect one for your client. We can clean up any space before move in and we even sweep up!

Professional Service

Our friendly, uniformed drivers will treat your clients and their property with professionalism and courtesy. Our truck teams are fully licensed, safety certified and Certificates of Liability/Worker's Compensation Insurance are available upon request.

All inclusive upfront rates

Estimates are provided before any work begins and include all the labor, clean up, and the time to sort and transport items for reuse, recycling and responsible disposal.
